

User Guide

Registration in WordPress for the Forum – Digi4Wearables

1. Purpose

This document explains the steps a user needs to follow to register on the Digi4Wearables forum, allowing them to leave comments and participate in discussions.

2. The forum can be found under the following path:

The Project → Community of Practice

Users must access this category to view posts and participate in discussions.

3. Registration Process

To leave a comment on the forum, users must first create an account. Follow these steps:

Step 1: Click “Login”

- **On the forum page, click the Login button.**

Step 2: Select “Register”

- **On the login page, click the Register option to create a new account.**

Step 3: Fill in Your Details

- **Enter:**
 - **Username**
 - **Email address**
- **After completing the fields, confirm the registration.**

Step 4: Set Your Password

- **The user will receive an email with a link.**
- **Click the link to set your password.**

4. Login and Commenting

Once the password is set:

1. **Return to the Login page.**
 2. **Enter:**
 - **Username**
 - **Password**
 3. **After a successful login, the user can:**
 - **Leave comments**
 - **Participate in discussions under Community of Practice**
-

5. Important Notes

- **Make sure the email address is correct, as the password link is sent there.**
- **If the email does not appear in the Inbox, check the Spam/Junk folder.**
- **Comments cannot be posted without setting a password.**
